THE OVERVIEW

The McEnery Company is proud to have been retained in the offering of the Green House Inn - an 11 room hospitality property in the heart of the Lower Garden District strategically situated immediately adjacent to the Warehouse District and Convention Center as well as in immediate proximity to the Garden District, CBD, and French Quarter. The stately grounds include the 7,200 square foot main building which contains 9 guest rooms with bathrooms, a third floor suite with private bathroom, a 1,271 square foot maisonette which contains a nicely finished managers office (which could be converted into an extra room) as well as a manager's apartment. The grounds include a large front parking area, a secondary parking area which fronts on Erato Street, a tropical courtyard adorned with swimming pool, canopy, and abundant outdoor area for guest lounging. While the courtyard area is well-maintained and very attractive as is, this abundance of land is also very conducive to expansion with potential to build an additional retail space along this bustling section of Magazine Street.

Financials available upon request and with signed non disclosure agreement. Please contact Scott Weston at 318-218-4860 for all showing requests and inquiries.
